# Price List

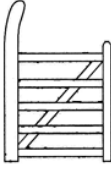

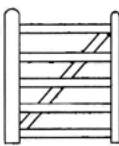

All timber gates are constructed from Oregon timber using blind mortise and tenon joints, wedged, dowelled and treated with a wood dressing solution before leaving the factory.

Painting of gates is an *optional extra*.

Gates are supplied and fitted with hot dipped galvanised hinges, catches and bolts.

**Gates can be custom made to suit your requirements up to 3600mm (12 ft) wide and can be made from oregon or hardwood timber. Prices on application.**
